Request Received: 8/27/2024 Requestor: Mari Nelson Telephone: 401-255-1061 HOA: Green Vallev Desert Hills IV

Location of Proposed Service: Intersection of S Abrego and E Continental 18 R13E 23

Service Requested: **Specifically those drivers at the intersection, heading east on Continental, in the right lane without any intention of turning right onto south Abrego, instead accelerates at a high speed with the green light signal and, will deliberately swerve into left lane before lane ends and cut off the driver to his left (in the correct lane), intentionally to be first. There is posted signage for right turn lane only, but ignored. I am requesting that interection be RE-STRIPE like the following intersection at Continental and Whitehouse Canyon Road. There, the lanes are divided and clearly maked for a left turn north to La Posada; to continue traveling east and yellow strips designating a right turn only lane onto Whitehouse Canyon Road up to Madera. These road stripes do help to regulate traffic**

Overview: Pending Pima County Service Requests

Request Received: 3/11/2025 Requestor: Suzanne Gross Telephone: 310-490-9935 HOA: Townhouse II Homeowners Assn

Location of Proposed Service: 3 streets in HOA 18 R13E 15

Service Requested: **S Paseo Seco, W Camino Corto and S Paseo Chico are County owned streets and were repaved 4 years ago, but cracks down the center of each was clearly evident even after the work was completed. Those cracks have widened and now multiplied in each of the streets and will continue to worsen with sun, rain, and traffic. We have only one entrance in/out and the streets get heavy use from both residents, delivery and utility trucks. We need them repaired or resurfaced properly. Photo's attached**
